# ABOUT THE CAMPUS

The Institute is approved by the All India Council for Technical Education (AICTE), Ministry of HRD (MHRD), Government of India, Bar Council of India (BCI), NCTE, SCERT and Pharmacy Council of India (PCI) and affiliated to Dr. APJ Abdul Kalam Technical University (AKTU), Lucknow and Chaudhary Charan Singh University, Meerut. The ISO 9001:2008 Certification obtained by the Institute speaks loudly about the quality standards maintained by the Institute.

HIMT is fully equipped to face the challenges as one of the fastest growing institutes popularly known as HIMT with a blend of excellent intellectual capital, human resources and dedicated personnel committed to education for transforming the most ordinary students into technocrats / managers. The state-of-the-art infrastructure definitely quenches the thirst of knowledge seekers by providing them a strong stimulus to expand their talent and capabilities to a higher level of intellect. HIMT has now become a group of institutions by imparting education in the field of Management, Pharmacy, IT, Law, Education and Biotechnology.

To sum up, HIMT with its Vision and Mission moulds the students not only to achieve their best but also to contribute to help this country become a superpower.

## MESSAGE FROM THE CHAIRMAN

I warmly welcome the aspiring students to the fraternity of the HIMT Group of Institutions promoted by the Shanti Education Society where we provide an environment in which enthusiastic & committed people will have access to high quality learning & teaching supported by staff drawn from academic & professional background.

In our Information Booklet, you will find complete information about the HIMT Group of Institutions' programmes, courses, requirements and policies. You will also find detailed information about the other services being extended to the students like Counselling, Scholarships, Library, etc.

In addition to academics, HIMT is providing opportunities for students to involve in social & cultural events, community activity & governance. These experiences will enable the students to develop their skills as a citizen, a leader & further, prepare them for future challenges.

At the end I can say with confidence that combined efforts of Management, faculty & students will make our Institute a place where students can build their future and share the excitement of personal & intellectual challenge.

Welcome to HIMT.

H.S. Bansal

IN NORTH FOR PLACEMENT EFFORTS

## DIRECTOR GENERAL'S NOTE

Greetings of the Season,

It is indeed an exciting period in the India, growth story. The second fastest growing economy in the world, India is poised to become the world, largest economy by and of current century. The unified and border-less world economy has now thrown open multitude of challenges and opportunities to business executives to cope with a high degree of work related stress. This got me thinking about power of education. The best contribution we can make in the life a fellow human being is to empower him with skills and education to enable him to face the challenges more efficiently and effectively in the present day scenario.

An individual, external world is largely the reflection of his inner world. Personal maturity and growth are sine qua non for effective managers. They have to continuously learn about themselves and grow. They have to regularly work on themselves. Personal development and character building of the students are our utmost priorities. We assist the students in their journey of self improvement through curricular activities, co-curricular pursuits and mentoring. Needless to say, we actively help them in their career development through counseling and institute-industry interface.

The programs at HIMT are tailored to bring out the best in each student, be it an individual performance or a group task. These programs alongside sharp academic delivery, is the ideal combination of business education and industry exposure in the right balance. In other words, Student executives enjoy a professional degree of freedom and respect in bringing out their skills and showcasing their talents week upon week incessantly under the able guidance of our dedicated faculty board.

We at HIMT endeavor to give the students our best in terms of course structure, infrastructure, technological advancement & the educational ambience, leaving no stone unturned to impart them the best. The Central Library is an informational powerhouse offering unparalleled research & learning opportunities. We have modeled and smart wired all of our class rooms to incorporate emerging information technologies and to exploit the vast potential of the internet.

Personally assure you of high academic quality/ standards and your constant growth and development at HIMT. Come and be a part of this exiting empowering and fruitful journey to your dream executive destination.

**Prof. (Dr.) T. Duhan, Ph. D.**

Director General  
HIMT Group of Institutions

# MANAGEMENT STUDIES

## DEPARTMENT OF MANAGEMENT STUDIES

The Department of Management Studies came into existence in the year 1998. Right from the beginning, the DMS strictly adheres to the singular philosophy of providing high quality education in management at an affordable cost to all those who are aspiring to achieve their life goals. DMS offers novel academic and career resources to its students with the commitment to deliver improved learning and provide opportunities for personal development so that one can succeed in a globally competitive business environment. Management education here is focused on creating action leaders in society who will successfully tackle every challenge upholding the highest standards of integrity and ethical conduct. The curriculum provides a great variety of opportunities for the 21st century's management students in terms of industrial exposure, applied research projects, internships, professional development activities etc. All activities and events of the DMS are student driven; be it disciplines, academics, cultural, sports, industry interaction, training and placements. We use a globally accepted student-centric pedagogy that caters to multiple intelligence and different learning styles powered by knowledgeable and dedicated faculty members having rich academic and industrial experience.

### CLASSROOMS METHODOLOGIES (INTERNAL EXPOSURE)

- Multi-disciplinary Programs and Projects, Student Center Pedagogy
- Use of Multimedia (Power Point Presentation, Audio, Visuals)
- Guest Lectures
- Scenario Analysis, Group Discussion, Quiz, one on one Discussion
- Z to A approach, Mentoring & Coaching
- Case Studies, Games, Simulations, Group Activities, Role Play

### BEYOND CLASSROOMS (EXTERNAL EXPOSURE)

INDUSTRIAL VISITS

CONFERENCES

LIVE PROJECTS

DEVELOPMENT PROGRAMS

RESEARCH BASED PROJECTS

SEMINAR'S SUMMITS

INTERNSHIP'S

SPECIAL WORKSHOP

LEARNING EXCHANGE PROGRAMS

### ADDITIONAL TRAINING & CERTIFICATION

### PROGRAMMES & SERVICE

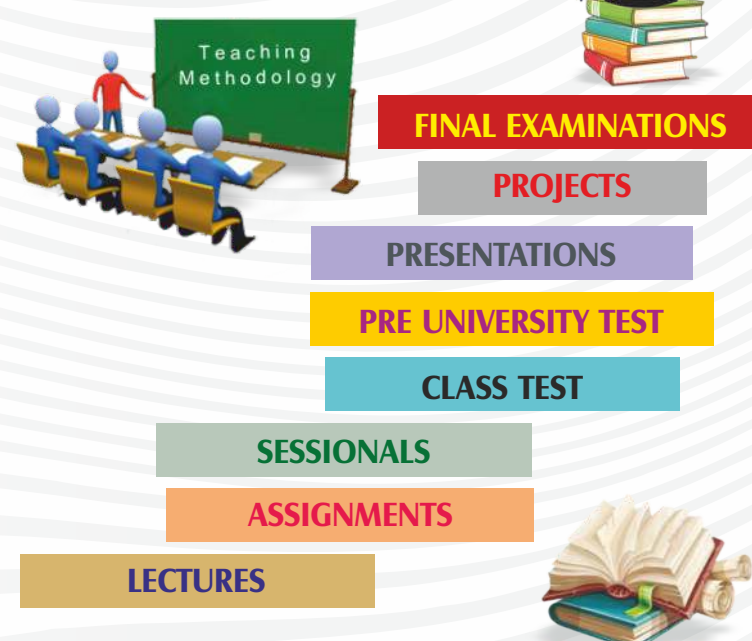

DMS offers innovative, full time postgraduate and under graduate programmes that aim not only at providing knowledge and skills of management, but also help students develop a well rounded personality, so necessary in life, which are as follows:

- Master of Business Administration (MBA) - 2 years full time programme, approved by AICTE and affiliated to Dr. Abdul Kalam Technical University (AKTU), Lucknow
- Bachelor of Business Administration (BBA) - 3 years full time programme, affiliated to CCS University, Meerut.
- Learning by doing' is the best way of developing individual skills. This transformation initiative of the school aims to join all the disparate dots present in the landscape of management education and offer services like mentoring, career counselling, training, consulting and research. DMS has practiced a contemporary and innovative concept of 'Institute-Industry Interface' that brings the corporate and fresh employable talents under a single umbrella. Apart from that, a dedicated team at 'Centre of Excellence' provides and conducts structured training courses for students, young faculty and executives from the industry and corporate world through MDP, EDP and FDP.

### TARGET VERTICALS

- For admission in MBA Graduation / Post graduation with minimum 50% marks for GEN/ OBC and 45% marks for SC/ST.
- Selection based on UPSEE score/MAT score / merit based on graduation percentage.
- Selection based on weighted average of graduation percentage / CAT/MAT score and ranking in GD and PI.
- For admission in BBA Intermediate (10+2) from a recognized Central/State board with 45% marks (40% incase of SC/ST candidates).

### TEACHING METHODOLOGY

# COMPUTER APPLICATIONS

## DEPARTMENT OF COMPUTER APPLICATIONS

The Department was established in the year 2000 to provide PG courses and create a Research & Consultancy culture. The Department delivers a broad array of technical and professional services to students to provide every one an education that unlocks their true inner potential with a range of activities/ modules that solve challenges - while enhancing the students' ability to advance their 21st century skills. The Department also establishes productive linkages with industries. 'Learning by doing' is the best way of developing individual skills.

## PROGRAMMES & SERVICES

DCA has practiced a contemporary and innovative concept of 'Institute Industry Interface' that brings the latest technologies for the students and updates them about emerging trends in the field of Computer Science. DCA classroom suites of courses / services include

**MASTER OF COMPUTER APPLICATIONS (MCA)**

**BACHELOR OF COMPUTER APPLICATION (BCA)**

**SOFTWARE TRAINING AND DEVELOPMENT**

**RESEARCH AND CONSULTANCY**

## TARGET VERTICALS

The minimum eligibility and other requirements for admission in various courses are:

- For admission in MCA, Graduation in any discipline with minimum 50% marks for Gen/OBC and 45% marks for SC/ST. In addition Maths is compulsory at 10+2 or Graduation level.
- Selection based on UPSEE score / merit based on Graduation percentage.
- For admission in BCA Intermediate (10+2) from a recognized Central / State based Board with 45% marks.

## THE DEPARTMENT HAS WELL EQUIPPED LABS

- Data Base Management System Lab
- Data Structure Lab
- JAVA/Web Technology Lab
- Machine Learning Lab
- Computer Network Lab
- Linux Lab
- Python Language
- Programming Lab
- Operating System Lab
- IoT Lab
- C/C++/Object
- Oriented Systems Lab
- Project Lab

Many more.....

## ADVANCED TRAINING

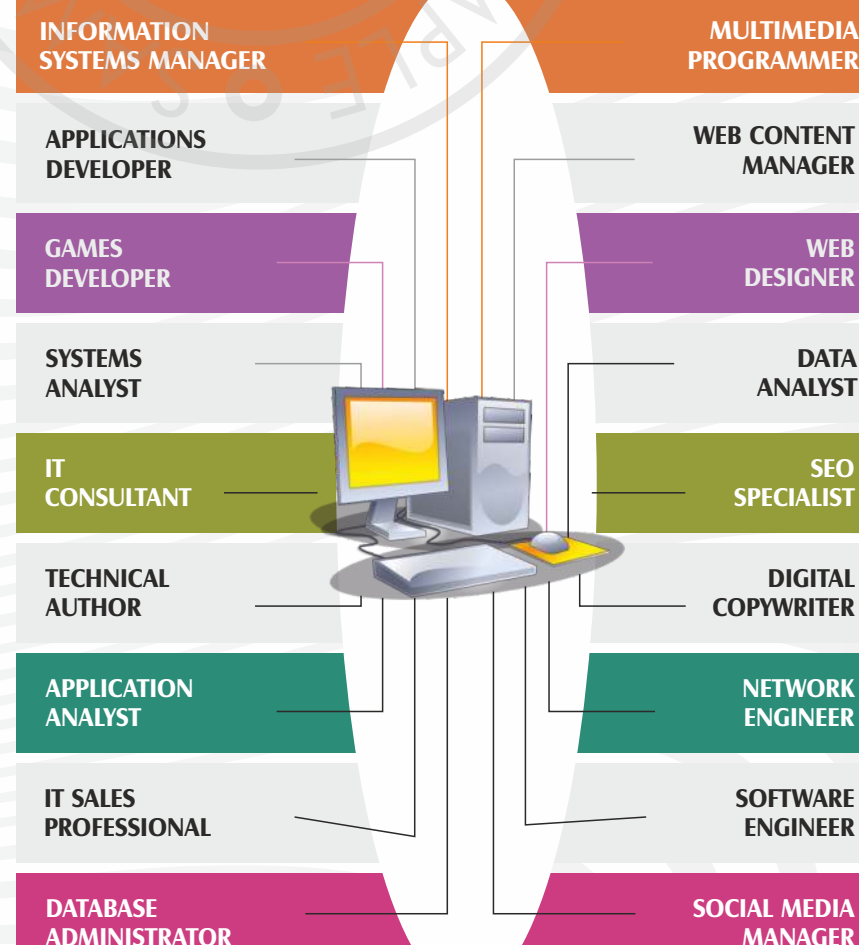

## TECHNICAL TRAINING...

## ADDITIONAL TRAINING & CERTIFICATIONS

## JOB OPTIONS AFTER MCA

## DEPARTMENT OF BIOTECHNOLOGY

The Biotechnology Department was established in 2005 with a vision to provide quality education and hands-on research experience to its students. To train and guarantee, to enhance their conceptual and technical knowledge that takes them beyond the edge, to build confidence in them and prepare them for corporate competition. At the Department of Biotechnology, we are involved in academic excellence by training and challenging young minds through quality education, innovation and advancement of technology through research to benefit mankind. The Department has set up well-equipped labs to provide up-to-date knowledge of subjects and enhance the practical skills of the students. The Masters of Science in Biotechnology is an intensive programme designed to give students an understanding of the principles underlying biotechnologies as well as hands-on experience in advanced techniques. M Sc Biotechnology programme at HIMT is a good choice for new graduates who would like to gain more knowledge and hands-on experience before entering the career field. To reduce the mismatch between the requirements of industry and students, the Department of Biotechnology is facilitating industrial training for six months to postgraduate students in leading Biotech industries.

## PROGRAMMES & SERVICES

Biotechnology today has become the comprehensive scientific venture both commercially and academically, in a very short time. Details of ongoing teaching programmes

**Masters in Biotechnology**

**Bachelors in Biotechnology**

**Bachelors in Microbiology**

**Biotech Industrial Training Programme**

The future of graduates in Biotechnology is very bright. Looking at the present scenario, as per estimate, 10% researchers and 15% scientists in Biotech, R&D in the US are of Indian origin.

## TARGET VERTICALS

The Department offers UG and PG degree in Biotechnology to support multi-disciplinary curriculum designed to provide a foundation from which students can understand and exploit the potential in Biotechnology. In addition, we are running B.Sc. and M.Sc. courses in Microbiology. To enroll in the above courses, the minimum eligibility criteria are:

- For M Sc Biotechnology and M Sc Microbiology, a graduate degree in Science with minimum 50% marks for general and OBC candidates and 45% for SC/ST category candidates.
- For B Sc Biotechnology and B Sc Microbiology, Intermediate (10+2), PCM/PCB from recognized Central and State Education Boards with minimum 45% marks for general category and 40% for SC/ST category of candidates.
- Selection based on weighted average of graduation percentage.

## DEPARTMENT OF EDUCATION

The Department was established in 2003 with a vision of an innovative and flexible education system that focuses on results, inspires all students and prepares them to be successful in meeting today's challenges and tomorrow's opportunities. The Department of Education is accountable for the success of its students. As leaders in education, we provide the expertise and technical assistance to promote educational excellence and highly effective instruction.

Harlal Institute of Education aims at excellence in teacher education. The College of Education provides a stimulating intellectual environment for B Ed students. The Institute offers exceptional opportunities and facilities for teacher development. A highly qualified and experienced faculty, including visiting professors and academicians from NCERT, SCERT, NCTE, Delhi University etc, conduct guest lectures in their respective areas of specialization. The Department of Education at HIMT conducts seminars, guest lectures, educational tours, excursions, debates, quizzes and basic computer education.

## PROGRAMMES & SERVICES

The College of Education offers courses like:

- M Ed (Master of Education)
- B Ed (Bachelor of Education)
- D EL Ed

The College of Education has got different types of resource centers. They are as follows:

- Science and Mathematics Education Resource Center
- Art and Craft Resource Center
- Psychology Resource Center
- Information and Communication Technology Resource Center
- Health & Physical Education Resource Center
- Library and Library Services

## CAREER PROSPECTS

- To become a successful teacher at different levels such as Primary
- School Teacher, Senior School Teacher and Higher Level Teacher.
- In research and development fields.
- Authorship of different books.
- Career Counsellor.

## TARGETS VERTICAL

- 10+2 or equivalent for Admission in D EL Ed 1st year. Admission through DIET / U.P. Govt.
- Graduation with 50% marks (45% marks in case of SC/ST Candidates) for B Ed course
- For M Ed, B Ed with at least 50% marks (45% marks in case of SC/ST Candidates) selection through CCS University entrance test.

## ACHIEVEMENTS

- Cent per cent results of the students.
- Successfully conducted three days camp for Scouts and Guides.
- Participation of students in extra-curricular activities, such as participation in Annual Day function, rangoli competition etc.
- Personality development programmes for the students.
- Students' morale motivational programmes are being run by the Department throughout the year as motivation must be rewarded, increased and sustained at all levels.
- Creative and healthy environment.
- Regular assessment of students' progress.
- Community services by the students.
- Students as well as faculty of the Department donated blood in the Blood Donation Camp organized by the Institute.
- The dissertation programme for postgraduate courses is being conducted under the guidance and supervision of faculty members of the department.
- We organize educational trips for the students to create awareness among them regarding history, geography, culture, architecture, historical monuments, language etc.
- We organize guest lectures by eminent visiting faculty/ educationists.
- Faculty of the Department have presented papers in different national and international seminars and had also participated in different FDPs.

“HSL IS A PRESTIGIOUS SCHOOL AND STUDENTS ARE ATTENTIVE AND DISCIPLINED”  
Prof. (Dr.) Ranvir Singh, VC, NLU, Delhi

## SCHOOL PROFILE

Harlal School of Law came into existence in the year 2004. The school has been striving hard to fulfill the hopes and aspirations of its Founder by providing quality education. The school lays emphasis on explaining the principles and philosophy underlying a legal provision. The task of this Institution has been to encourage the budding students of law to know and appreciate our rich cultural heritage in this area of discipline. The school has been utilizing all its resources to equip students with knowledge through the latest teaching tools and by providing suitable platforms for interaction with eminent legal luminaries.

## PROGRAMMES AND SERVICES

The Harlal School of Law offers legal, full time graduate programmes that help students to develop as legal personalities. These courses are as follows:

**LLB**  
(3 years course)

**BA LLB**  
(5 years integrated course)

Both courses are affiliated to CCS University, Meerut and approved by the Bar Council of India, New Delhi.

## TARGET VERTICAL

The selection is on the basis of minimum percentage marks in graduation and Intermediate. For LL B (3 years course) the eligibility is graduate/ post graduate with minimum 45% marks (42% marks for OBC and 40% marks in case of SC/ST candidates) and for B A LL B (5 years integrated course) is 10+2 with minimum 45% marks (42% marks for OBC and 40% marks in case of SC/ST candidates) and maximum age limit for B A LL B (5 years integrated course) is 25 years but there is no maximum age limit for LL.B (3 years).

## CAREER PROSPECTS

The legal profession has undergone a sea change over the last decade. The changing face of corporate law is increasingly catering to specific requirements of each organization-large or small. The demand for lawyers with experience in securities and transactions is growing in proportion to changes in the global marketplace. India being a common law country, has the advantage of having a legal system which is similar to many other jurisdictions / countries of the world, so firms from other countries also pick talents. Litigation Lawyers, In-house Legal Lawyers, Law Officers, Assistant Advisors, Legal Advisors, Magistrates, District Magistrates, Munsifs (sub magistrates), Public Prosecutors, Solicitors, Attorney Generals, Advocate Generals, Notary and Oath Commissioners along with Legal Secretaries in Assemblies, Law Inspectors, Legal Officers in Banks, Judicial Members of Income Tax, Sales Tax, Excise Departments, Government Advocates, Staff in Registrars of Companies' Offices are some openings for law graduates. Law graduates can work in the Legal Branches of Defence Departments such as the Indian Army, Navy and Air Force. A law graduate has scope in banking, investment and insurance sectors. Advisory services to charity and development work also appeal to law graduates.

**HIMT  
COLLEGE  
OF PHARMACY**  
Greater Noida

### AFFILIATION & APPROVALS

## COLLEGE PROFILE

HIMT College of Pharmacy was established in the year 2005. The college is running B Pharma and M Pharma courses with the approval of AICTE and affiliation with AKTU, Lucknow. The college is now duly approved by the Pharmacy Council of India (PCI). The sanctioned strength of this course in B Pharma is 100 and is 15 in M Pharma. The college also ensures maximum placement of the eligible students in top pharma companies. Well-equipped laboratories of Pharmaceutics, Pharmacology, Pharmaceutical Chemistry, Pharmacognosy, Machine Room, Anatomy and Physiology and Central Instrumentation Facility (CIF) and an animal house have been established for enabling the students to gain experimental knowledge. The college has been utilizing all its resources to equip students with knowledge through the latest teaching tools such as lectures, study projects, tutorials, seminars etc. and by providing students suitable platforms for interaction with eminent industrial professionals.

## WHY PREFER HCP ?

- Well Qualified and Experienced faculties from top institutes having experience of teaching, research and Industry.
- Fully Automatic Library with latest collection of books, text books, reference books, periodicals, National & International Journals, Magazine and other resources.
- 100% Placements Assistance & Internship.
- Rated amongst Top Institute in India and One of the best Pharmacy Collage in Delhi-NCR.
- Additional Trainings & Certifications as per Industry requirements.
- Regular PDP Classes along with Skills training sessions required for pharmacy Students.
- Disciplined and structured academic environment enriching intellectual capital of students.
- Focus on improvements of personality traits by providing inter and intra campus opportunities in the field of academics & extra co-curricular activities.
- Tie-up with Top Pharmaceutical Companies for Trainings & Placements.
- Regular Industrial Visits in Top Pharmaceutical Companies for practical exposure.

## PROGRAMME & SERVICES

HIMT is building an excellent career choice by providing quality education and research in the field of Pharmaceutical Sciences. At present, the College of Pharmacy offers the following courses:

**D PHARMA**

**B PHARMA**  
(Lateral Entry)

**B PHARMA**

**M PHARMA**  
Pharmaceutics & Pharmacology

## TARGET VERTICALS

- Students of science with PCB or PCM in 10+2 or equivalent for admission in Diploma / B Pharmacy 1st year.
- Diploma in Pharmacy with at least 60% marks for lateral entry in B Pharmacy 2nd year.
- B Pharmacy with at least 60% marks for General/ OBC and 55% for SC/ST for M Pharmacy course, GPAT Qualified Candidates will be preferred.

## CAREER OPTIONS

Career options for a pharmacist are in community pharmacy, hospital pharmacy, academics, regulatory affairs, clinical research, national laboratories, industries and of course self employment which is the most lucrative part i.e. entrepreneurs. Graduates also have opportunities to go abroad after qualifying some exams like GRE, TOEFL, GMAT etc.

## PLACEMENT @ HIMT

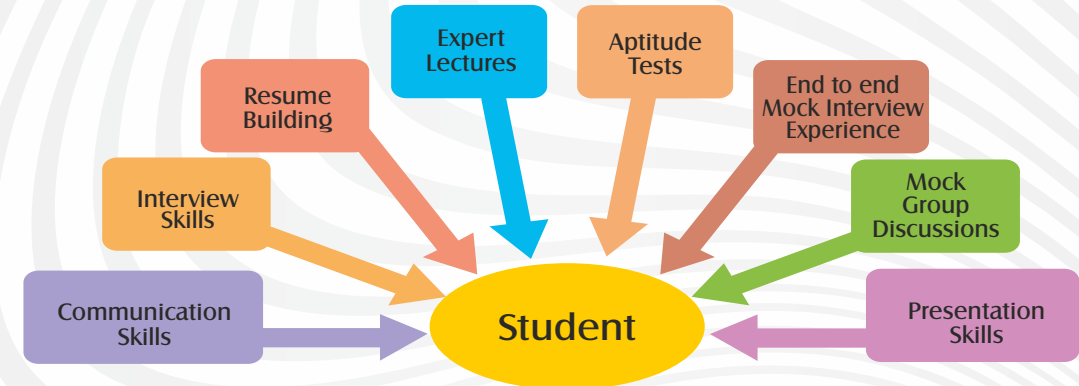

HIMT Group of Institutions, merely does not just provide a theoretical academic education but lays great stress on making their students career ready for the New Age Economy. Corporate Relations cell of HIMT Group of Institutions is an integral part of all the courses offered by the Institute. It follows a student centric approach to meet the expectations of the corporate world. Training Activities are organised throughout the year in an effort to prepare students for campus selection. This Cell also invite various companies regularly to interact with students. The cell also arranges, workshops regularly from professional to improve soft skills of the students. Corporate Relations cell of HIMT Group of Institutions functions throughout the year towards expanding the institutes's corporate reach and increase placement and training opportunities for the students. It acts an interface between students, faculty, and the corporate world to sustain continuous interaction with the industry, share industry experiences, and understanding the industry needs. Every year 200+ Companies visit the campus for Internships and placements of the students. The objective of this cell is to provide best career opportunities to the students, and to maintain alumni engagement.

We truly appreciate the faith bestowed on us from several organisations and we look forward to continue our relationship with them.

# ALUMNI SPEAKS

## Mr. Dilshad Ghani

Deputy VP (HR)  
IWI Limited Engineering and  
Construction Company, Abu Dhabi.

From the depth of my heart, I cordially accept that it was HIMT which changed my perception towards my career. My journey from a suburb of Bihar to Abu Dhabi was only because of my two years tenure which I had in HIMT. I express my heartfelt gratitude to my HIMT faculties and the management for all their deeds.

## Ashish Sharma

Deputy Vice President Axis Bank (India)

My Profound gratitude to the HIMT and its all the faculty members for shaping my academic into a fecund career. The tenure in HIMT laid down the stepping stone of my future and without any hesitation I accept it from the depth of my heart and will always awe for HIMT

## Amit Bhagat

Head - Engineering & Enterprise  
IT Architecture Home Shop-18

"It was really a great time at HIMT. The career guidance was an excellent gate pass into the challenging corporate world. I always believed that environment is the key to success. I learnt some life lessons. The faculty were excellent in every aspects. In nutshell, it was great experience."

## Harendra Nagar

On Site Coordinator DELL,  
Ireland, Dublin

Zenith of success can be achieved only with a strong foundation. HIMT gave me that foundation of professional career to achieve the zenith of success. I owe gratitude to my Teachers for enabling each one of us to believe that we are special and prepared us to embrace the ever evolving Global Challenges."

## Abhinav C Shrivastav

Associate VP (Regional Head) Radio City, India

My unfeigned gratitude to the faculties of HIMT, it was they, who nurtured me to crave for success and from my first presentation in the campus to what I am today is just because of HIMT and of its faculty members. I will be always being in debt of HIMT till the eternity.

## Himanshu Mishra

Senior Consultant  
IBM

After completion of my Bachelors in Technology, though my career was initiated but had no momentum and the day I completed my Masters in Business Management from HIMT, it galloped to a new avenue. HIMT and my dear Faculty members I will always awe for your deed and needful.

## Pradeep Shukla

Founder & CEO  
Cloud Centric Infotech Pvt. Ltd.

"HIMT along with quality education and infrastructure provided me with a platform that helped me conquer my weaknesses and discover my strengths. I would like to thank the faculty for always encouraging and helping me in every possible way to learn and excel. I would also like to thank the seniors and juniors who played a vital role in making me who I am today. I am proud to be alumni of HIMT."

## Sunil Kumar

Director Client Solutions,  
IHS Markit, Bangalore

"HIMT has been a great contribution to the development of my personality. I have established my leadership time management and team skills and have also been able to advance these skills to the whole new augment level. Moreover HIMT left the reminiscences of a wonderful team (Chairman, Director, Faculty, Students and staff) who provided a practical orientation towards application in real life. In Last I say thank you to HIMT family."

## Pramod Pal

Managing Director  
Pictus Pharmaceuticals Pvt. Ltd.

It was a nice experience to study and pursuing research from HIMT College of Pharmacy. This has helped me a lot to excel in field of pharmaceutical research. It has a very good infrastructure to pursue all types of studies and modern research, required as per current industrial/academic requirements. I must appreciate its efforts in training and placements of students in particular. In all I had a great learning experience and have learnt some very important lessons in life which will help me to grow in future as well.

## Apurv Agrawal

General Manager  
(Contract Engineering)  
NBCC (India Ltd.)

HSL has been a wonderful experience. I learnt a lot here both academically and personally. My mentors right from the beginning identified my strength and provided opportunities galore to refine them. It was a journey for me which has enhanced my personality and groomed me at many phases.

## Arun Goyal

General Manager  
Aria Hotels & Consultancy Services (P) Ltd

I am glad that I had chosen Harlal School of Law to be my alma mater, because it prepared me to meet my expectations and much more. I believe the life lesson and exposure that I got at Harlal School of Law could not have been matched anywhere else, for which I always remain grateful.

## Lokesh Mishra

Sr. Software Developer  
Zensar Technology  
California

Life has been a journey with many twists and turns, each day holding something new. This Journey of mine is marked with many milestones which has kept me informed my determination. Joining HIMT was one such major milestone which gifted me with a new future and a new perspective to look at things around me. Today I am proud to be part of this family. I would like to thank my mentors, family members the management at the HIMT for helping me in my accomplishments.

## Aditya Singh

District Manager  
Jhonson & Jhonson Pvt. Ltd.

HIMT College of Pharmacy is one of the best institutions in Greater Noida. Teachers were highly qualified and experienced. Practical knowledge of subject provided me a great learning.

## Sadhna Singh

Addl. Civil Judge, Rampur (U.P.)

I believe my tenure of B A LL B at Harlal School of Law has been one of the best phase of life. I had participated in different activities that are organized in our law school which helped me lot in personality development. I would like to thank the faculty for being so patient and encouraging in dealing with our never ending doubts and questions, to help us understand the subject rather than mere learning it.
